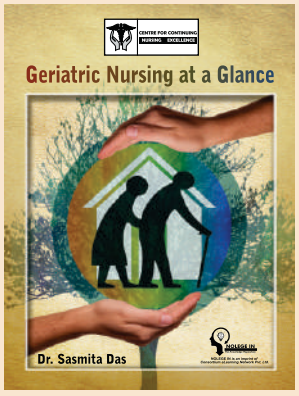
## Geriatric Nursing at a Glance



As the population aged more than 65 years continues to grow, caring for the elderly will be of prime importance. This book is primarily intended for both the experienced and novice geriatric care nurses to access necessary, to-the-point information that directly affects geriatric nursing practice. The authors' principal objective has been to briefly and clearly present some of the important issues they encountered during clinical practice. The text is unique and focuses on the fact that care for older adults must have a holistic focus – body, mind and spirit. The topics range from concepts of theories and cognitive aspects of aging to psychosocial aspects of aging; common health problems and client-centred nursing management.

## Green Card (Chasing the American Dream)

An engrossing narrative, *Green Card: Chasing the American Dream*, is based on experiences of people pursuing the big American dream. Though set during the time of the Y2K, the story is very relevant in today's time when the demand for the American visa has multiplied manifold. This is a story to which the current generation can relate and decide on their priorities and dreams to be followed. This book is about the story of Aseem. For the longest part of his life, Aseem kept chasing a dream – a dream he thought was his destiny, his aspiration, his life. While doing so, he forgot something very important – everything happens in due time. And time takes time. This book makes you realize that have you ever wanted something so much that nothing else around you mattered anymore? So this story left us with a question, did Aseem find his dream or did he, like a lot of us, give up on it to find a new pursuit? Find out in this story of struggle, friendship, love, and deceit.

# Nano Science and Technology Consortium (NSTC)

*-Innovating Today for a Better Tomorrow*

**A pioneering firm that has been at the forefront of promoting the power and potential of nanoscience since 2006. We offer a range of cutting-edge virtual resources to inspire and equip students, academicians, researchers, and industry professionals globally with the skills and knowledge they need to make an impact in their respective fields.**

## Our Services

- Nanoschool: For K12
- Projects & Internships
- Nano & Bio Courses
- Virtual Workshops
- Academic Packages
- Campus Ambassador
- Mentorship
- Article Publications
- Book Publication
- Collaborations & Consultations

**Spreading Knowledge Globally...**
**Participants of NSTC Courses & Workshops**

# APID

## Your Academic Portfolio

## Just Follow 3 Easy Steps

**Register** — **1 Step**

Take a moment to register for your unique APID - Academic Profile ID. It's free and doesn't take long at all.

**2 Step** — ***Use***

By using your APID, you can ensure credit for your work in systems and platforms, manuscript submissions, sharing it as a contribution, and much more...

***Share*** — **3 Step**

By adding affiliation, E-mail address and other details you are known by, to your APID record will increase your benefits. Give permission to the organization you trust, to update your records and add these details.

## Why Join APID?

- APID is a One-stop Academic portfolio.
- Grow your Network
- Keep Record of your Achievements
- Refer your Colleagues and Improve Citations

# Submit Now and Track

MANUSCRIPT ENGINE

**Simplify Submission:** Easily submit your manuscripts through our user-friendly platform.

**Save Time:** Efficient workflows and quick publication turnaround times.

**Streamlined Review:** Enjoy a seamless peer review process for your research work.

**Secure and Confidential:** Your work is handled with the utmost security and confidentiality.

**Scan the QR Code and Submit Your Manuscript Now on Manuscript Engine for Seemless Submission.**

**Please don't hesitate to reach out to us for any inquiries regarding APID and manuscript submission. You can contact us at info@journalspub.com**

# Consortium of Excellence

## CENTRE OF KNOWLEDGE MANAGEMENT EXCELLENCE (CKME)

- CKME is an emerging and innovative organization which promotes the knowledge and ongoing research in the field of management.
- It is designed to serve professionals involved in all aspects of Management.
- CKME provides an outstanding academic medium for academician and industrialists to share their knowledge and skills.

- **Management**
- **Marketing**
- **Finance**
- **HR**

## CENTER OF EXCELLENCE IN LIFE SCIENCE (CELS)

Center of Excellence
in Life Science

- It serves the worldwide academic communities and contributes to the progress and application of science.
- Delivering superior scientific publications and scientific information solution provider that enable advancement in scientific research.
- The pace of discoveries is being stepped up across all the life sciences fields.
- The CELS objective is to provide for the exchange of scientific knowledge in all areas of life sciences.
